A Gift in **The Moonlight**

Eid Mubarak Collection 2026 — Euódia

In a month filled with prayers and reflection, we relearn patience, gratitude, and sincerity.

As Ramadan ends and Eid arrives, the moon continues to shine — witnessing every prayer, every longing, and every journey home.

This year, Euódia presents A Gift in the Moonlight — a tribute to inner victory, family togetherness, and the warmth of reconnecting.

Inspired by simplicity and devotion, each hamper is crafted as an expression of love, prayers, and shared gratitude.

Because in the moonlight, we return to our purest selves, and to what truly matters.
